Case No. C 07-05756 SI

**REQUEST TO REMOVE DOC. #352
FROM PUBLIC VIEW AND
[PROPOSED] ORDER**

The Court's Doc. #352 and Attachment #1 to Doc. #352 contains a cost itemization entry (page 37 on Doc. #352) and two invoices (pages 35-36 of Attachment #1 to Doc. #352), which contain the names of Plaintiff's children, although the individuals/names are not identified as Plaintiff's children nor is there a description of their relationship to Plaintiff. Only Plaintiff is able to identify them as his children. Pursuant to Plaintiff's demand, Defendants request that Doc. #352 (which includes Attachment #1 thereto) be removed from the Court's publicly accessible records in this matter and from the public's view anywhere the documents are accessible in the Court's records. The cost itemization entry and invoices (part of Defendants' accounting department's records, required as backup documentation for Defendants' Bill of Costs) was inadvertently filed among the many cost entries/itemizations and invoices. Good cause exists to have them removed from the

1 public's access.
